

CIO Council Communications Subcommittee  
October 12, 2004

The Communications Subcommittee met Tuesday, October 12, 2004, at 10 am at the Iowa Utilities Board. Ron Pothast, Civil Rights; Don Dursky, Economic Development; JoAnn Naples, Natural Resources; RJ Hellstern, Iowa Veterans Home; Darrell Fremont, DAS-ITE; and Margaret Munson, Iowa Utilities Board attended the meeting.

Tracy Cardwell from DNR presented information about the DNR Web site and their process for determining the critical elements of the completed design.

The group discussed the draft CIO logos Darrell Fremont created and, considering the email input and input from people at the meeting, decided to have Darrell move forward with cio6. The committee also asked Darrell to take the template DNR designed and prepare a prototype page including the information currently on the page and the additional information discussed by this committee and the Education and Emerging Technologies committee.

We had more discussions about Internet versus Intranet as the location for the page.

Margaret Munson will attend the meeting of the Education and Emerging Technologies committee Wednesday, October 13. If anyone else would like to attend, they should contact Laura Roeder-Grubb to let her know before the meeting.

The next communication committee meeting is tentatively scheduled for Tuesday, October 26, at 10 am at the Iowa Utilities Board. Margaret Munson will send a meeting invitation.
